Pic moléculaire

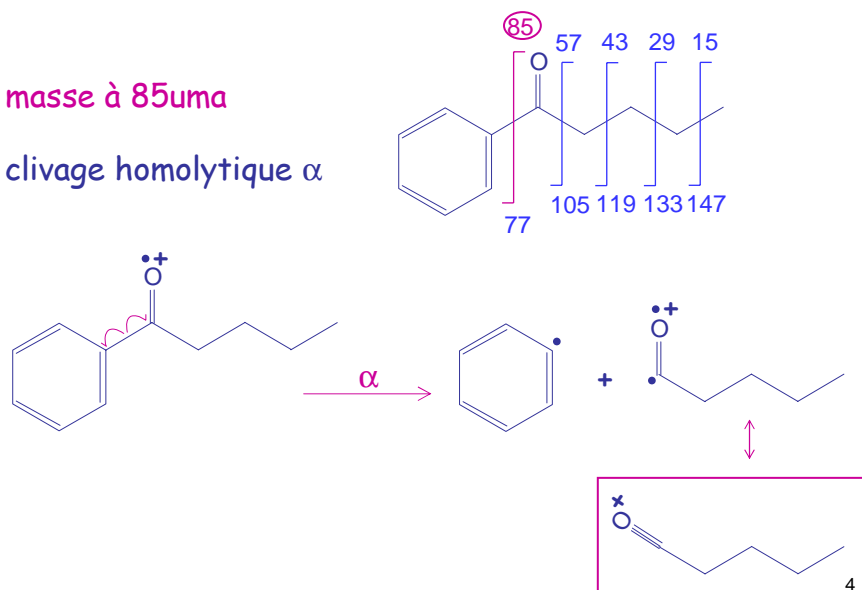

3

Exemple - la valerophenone

masse à 85uma

clivage homolytique α

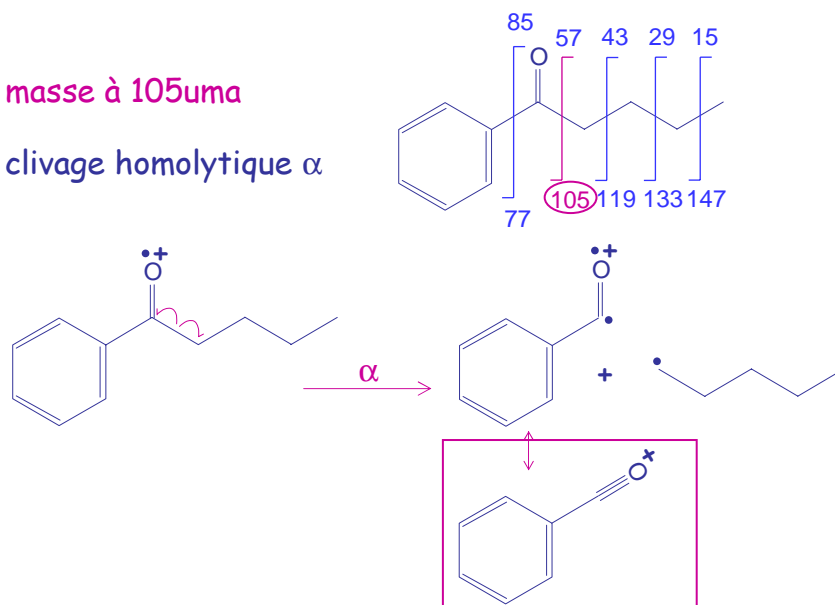

4

Exemple - la valerophenone

masse à 105uma

clivage homolytique α

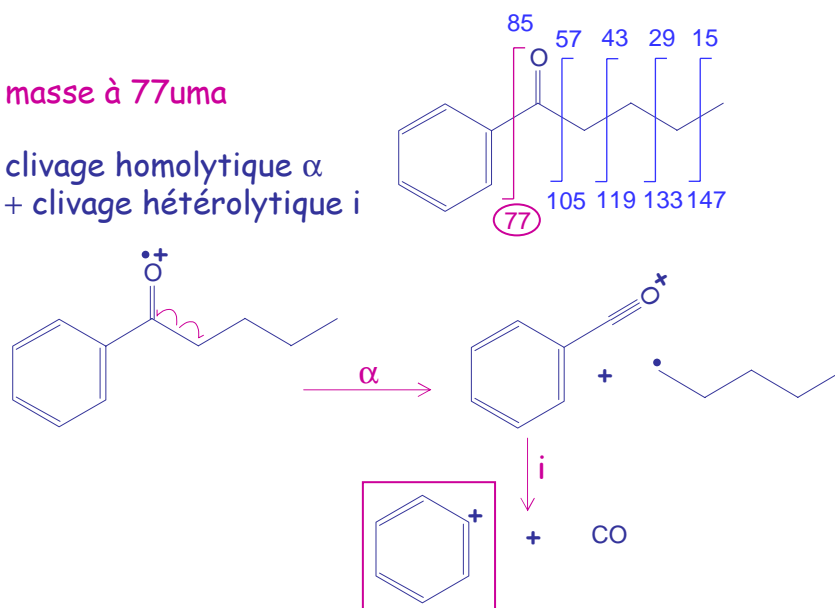

5

Exemple - la valerophenone

masse à 77uma

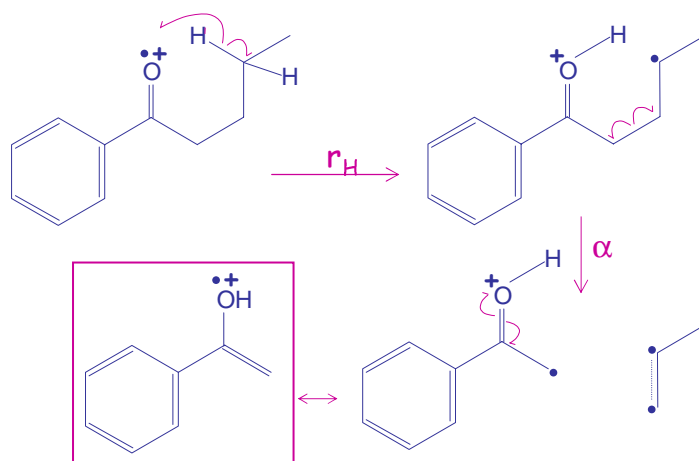

clivage homolytique α
+ clivage hétérolytique i

6

Exemple - la valerophenone

masse à 120uma Masse paire: réarrangement de McLafferty r_H
+ clivage homolytique α
